MEETING OF MARCH 7, 2017

TO: Mayor and City Council
THRU: Terry Gulley, Director of Transportation
FROM: Jesse Beeks, Fleet Operations Superintendent
DATE: February 15, 2017
SUBJECT: Purchase of one Truck for Fleet Department

RECOMMENDATION:

That City Council approve the purchase of one Dodge Ram 2500 regular cab, long bed available for the State Contract price of \$21,443.00 through Lewis Ford of Fayetteville, AR for use in the Fleet Operations Department.

BACKGROUND:

Unit 2091 is a 2006 Chevrolet Silverado 1500 that has exceeded the 10 year life expectancy and has 103% of life to date maintenance cost. This vehicle is used in the Fleet department to drive all over NW Arkansas and pick up or drop off parts that are needed for the City's vehicles. It is driven every day and is an essential tool to keeping our fleet up and running. We believe the long bed will be beneficial and safer when transporting large cylinders.

DISCUSSION:

Fleet recommends the purchase of one Dodge Ram 2500 regular cab, long bed available for the State Contract price of \$21,443.00 through Lewis Ford of Fayetteville, AR for use in the Fleet Operations Department.

BUDGET/STAFF IMPACT:

Sufficient funds have been budgeted for this purchase. There is a shortfall in collection, however this should be made up in the sale of the old unit.

This purchase was approved by the Equipment Committee on February 14, 2017.
