

AGENDA

City Council Transportation Committee
February 14, 2017
5:30 pm or Immediately after City Council Equipment Committee
City Hall Room 111

AGENDA

Members: Matthew Petty, Chairman; Adella Gray; Justin Tennant; Alan Long
City Staff: Chris Brown, City Engineer

1. Old Business

- A. UNIVERSITY OF ARKANSAS PARKING LOT ALONG RAZORBACK ROAD:**
Further Discussion of parking lot access to and from adjacent streets. Further review of traffic ingress and egress has been completed and is attached for discussion.

2. New Business

- A. SAIN STREET EXTENSION:** Review of preliminary plans for the Extension of Sain Street to Vantage Drive. Plans for both near term and future construction are attached.
- B. TRANSPORTATION ALTERNATIVES PROGRAM:** Applications for the Statewide Transportation Alternatives Program (TAP) are now being accepted. Staff is preparing an application for funding for the Wedington Drive sidepath that the City agreed to pay for; the City is eligible for 80% funding for this cost through the TAP program. The cost for the sidepath across the bridge is \$415,000; the cost for the sidepath along Wedington to Salem is unknown. Staff intends to apply for \$500,000 in funding through the TAP program. A resolution from the City Council expressing the willingness to use federal aid funds for this project is needed. **(A recommendation for approval of this resolution is requested).**

3. Reports

- A.** Transportation Bond Program Update
B. Transportation Master Plan Update

4. Announcements

Next meeting date TBD.
