Comments:

MEETING OF MAY 1, 2018

TO: Mayor and City Council

THRU: Terry Gulley, Director of Transportation

FROM: Jesse Beeks, Fleet Operations Superintendent

DATE: April 11, 2018

SUBJECT: Purchase of one Excavator and Attachment for Water & Sewer

RECOMMENDATION:

City Council authorize the purchase of a Dodge Ram 1500 4WD Quad Cab from Lewis Automotive Group of Fayetteville, AR in the amount of \$22,572.00, pursuant to the Arkansas State Contract, for use by the Water and Sewer Department.

BACKGROUND:

Unit 2143 is a 2011 Chevrolet Silverado 1500 4x4 Extended Cab with only 11.6/15 points. However, it has exceeded the 6 year life expectancy and is now having engine trouble. The amount to repair this is not cost effective considering the age and remaining life of the unit.

DISCUSSION:

Fleet recommends the purchase of a Dodge Ram 1500 4WD Quad Cab from Lewis Automotive Group of Fayetteville, AR in the amount of \$22,572.00, pursuant to the Arkansas State Contract, for use by the Water and Sewer Department.

BUDGET/STAFF IMPACT:

Sufficient funds have been collected for this replacement. Due to another unit coming in well underbudget, there are also sufficient funds in the budget for this purchase.

This item was approved by the Equipment Committee on April 10, 2018.
