To Whom It May Concern:

We would like to request from the City of Fayetteville to allow us the opportunity to serve mixed beverage drinks to our customers from Monday thru Saturday beginning at 7AM.

We ask this be allowed as we open every day for breakfast at 7AM. The majority of our customers at this time are nurses, doctors, others who work in the medical field and people who work the third shift in general. We would like to serve these third shift customers as we do all our customers and offer everything we have available as any other person throughout the day. As it may be unusual for the regular person to have a Mimosa, beer, Bloody Mary, etc. at 7AM, for these hardworking citizens of Fayetteville it is just the end of a long work day and if they would like to consume an alcoholic drink at 7AM, we would like to be able to cater to their needs. We hope you take our request into consideration as this would not only affect our business greatly but also our third shift customers dining experience.

We thank you for your time,

Jose D. Rodriguez
