**DATE:** September 13, 2018

**SUBJECT:** **An agreement between the City of Fayetteville, Arkansas and Marck Recycling and Waste Services LLC, to haul and dispose of solid waste and recyclable material in the City of Fayetteville.**

---

**RECOMMENDATION:**

Staff recommends approving an agreement between the City of Fayetteville, Arkansas and Marck Recycling and Waste Services, to haul and dispose of solid waste and recyclable material in the City of Fayetteville.

**BACKGROUND:**

Marck Recycling & Waste Services has submitted a request to haul and dispose of solid waste and recyclable material within the city limits of Fayetteville. The contract will permit Marck Recycling and Waste Services to haul and dispose of solid waste and recyclable material contained in 20, 30, and 40 cubic yard containers. The agreement requires Marck Recycling and Waste Services to pay a monthly fee to the City of Fayetteville of (10%) of the gross revenue received for providing solid waste hauling services and (5%) of the gross revenue received for providing the hauling of recyclables.

**DISCUSSION:**

The term of the agreement will be two (2) years with automatic renewals for two (2) additional two (2) year terms. Marck Recycling and Waste Services requests permission to operate within the City of Fayetteville. Staff proposes approval for Marck Recycling and Waste Services to haul and dispose of solid waste and recyclables within the City of Fayetteville, per the terms of the attached agreement.

Attached is a list of the other approved (and applicant) haulers in Fayetteville and the materials they are approved to haul. This list has grown significantly within the past year and at some point in the future it may be necessary to limit the number of franchise hauler for each type of service in the City.

CONSTRUCTION & DEMOLITION ACTIVITIES IN THE CITY OF  
FAYETTEVILLE**

This Agreement (the "Agreement"), is entered into on this 10<sup>th</sup> day of AUGUST 2018, between the **City of Fayetteville, Arkansas**, a municipal corporation (the "City"), and MARCK Recycling & Waste Services of NW Arkansas, LLC (the "Hauler"), and shall be in full force and effect on the date first written above, City and Hauler agree as follows:

1. The term of this Agreement shall be for two (2) years, with automatic renewals for two (2) additional two (2) year terms, unless otherwise terminated pursuant to the terms hereof. Notice of non-renewal by either City or Hauler shall be given at least thirty days prior to the end of the current term.
2. Hauler agrees that from and after the original date of this Agreement, all customer service Agreements for facilities within the corporate limits of the City, excluding residential areas, entered into before or after the effective date of this Agreement, or renewed shall have terms of no more than one (1) year and any subsequent extensions shall be for terms of no more than one (1) year. No customer service Agreement shall extend the terms of this Agreement.
3. Hauler agrees and understands that it may only collect and haul solid waste and recyclable materials using the type equipment commonly referred to as open-top roll-off style containers with capacities of twenty (20) cubic yards or greater, or roll-off style compactor containers with capacities of twenty (20) cubic yards or greater, containing waste generated from commercial, industrial, and construction/demolition activities or containing recyclable materials generated from construction and demolition activities only. Hauler is not authorized to collect or haul any other type of solid waste or recyclable materials.
4. In consideration of the right to provide the hauling of solid waste and/or recyclables described in Item #3 above, Hauler agrees and understands that it shall be required to pay a monthly fee of: ten (10%) percent (the "Solid Waste Fee") of the gross revenue received for providing solid waste hauling services and five (5%) percent (the "Recycling Fee") of the gross revenue received for providing the hauling of recyclables.
5. Hauler agrees and understands that it shall deliver all Class 4 waste to a properly licensed landfill facility. Hauler shall pay all transfer station fees to the transfer station operator and all landfill fees to the landfill operator, as they may be established and amended, from time to time.
6. Hauler shall pay all fees due hereunder, along with submitting "Attachment A: Solid Waste Documentation", or page 1 of Attachment A in conjunction with an agreed upon vendor generated report, on or before the 15<sup>th</sup> of each calendar month for the immediately preceding calendar month. Payments of fees received after the due date shall be assessed a 10% penalty per month. If Hauler fails to pay the fees within forty-five (45) days of the due date, the City may terminate this Agreement upon delivery of one (1) written notice to the Hauler. The supporting information shall be sufficient to demonstrate the accuracy of the fee calculation, and shall include the following

information: (i) Hauler's worksheet calculating the fees remitted; (ii) a list of payments received from customers within the City; (iii) such list shall clearly indicate whether each payment was from a permanent or temporary customer, and (iv) the fee shall be based upon all activity from each customer account within the City, and shall include the normal billing charges for all free or discounted services (including those for non-profit organizations) including but not limited to delivery, pull charges, disposal charges, transportation charges, final pull charges, and return charges. With payment remittance, the City will review and obtain certain trade secret information, including rates, frequency of service, customer lists, and other customer information ("Confidential Information"). The City asserts this information is exempt from disclosure under the Arkansas Freedom of Information Act as the information meets the exemption for records that "if disclosed would give advantage to competitors." This information will only be reviewed by City financial staff, and will not be made available to City solid waste staff.

7. Hauler shall pay all fees due hereunder, along with submitting "Attachment B: Recycling Documentation", on or before the 15<sup>th</sup> of each calendar month for the immediately preceding calendar month. Payments of fees received after the due date shall be assessed a 10% penalty per month. If Hauler fails to pay the fees within forty-five (45) days of the due date, the City may terminate this Agreement upon delivery of one (1) written notice to the Hauler. The supporting information shall be sufficient to demonstrate the accuracy of the fee calculation, and shall include the following information: (i) volumes of recycling collected, in tons, by commodity, with disposition by destination market, for all source separated recycling; (ii) for any approved non-source separated program, the Hauler shall submit to the City by June 30<sup>th</sup> on annual basis, copies of contracts with processing mills; (iii) for any approved non-source separated program, the amounts, in tons, of recycling collected within Fayetteville, with disposition by destination market. With payment remittance, the City will review and obtain certain trade secret information, including rates, frequency of service, customer lists, other customer information, and contracts with recyclers and processing mills ("Confidential Information"). The City asserts this information is exempt from disclosure under the Arkansas Freedom of Information Act as the information meets the exemption for records that "if disclosed would give advantage to competitors." This information will only be reviewed by City financial staff, and will not be made available to City solid waste staff. Any Hauler found providing services for non-source separated recyclables without prior approval by the City shall be subject to a fee of \$500.00.
8. The City shall have the right to conduct an audit of Hauler's customer files and records for all customers located within the City, provided that such audit privilege shall be limited to once per calendar quarter. If such audit reveals the Hauler should have paid at least 5% more than reported, the cost of the audit shall be paid by the Hauler to the City. During such audit, the City may review and obtain certain trade secret information, including rates, frequency of service, customer lists, and other customer information ("Confidential Information"). This information shall not be divulged to any third party by the City, its employees, officers, or elected officials without the express written consent of the Hauler, or as otherwise required by law. The City asserts this information is exempt from disclosure under the Arkansas Freedom of Information Act as the information meets the exemption for records that "if disclosed would give advantage to competitors." This information will only be reviewed by City financial staff, and will not be made available to City solid waste staff.
9. The City will advise Hauler of any request for information which the City, at the City's sole discretion, determines to be non-disclosable or otherwise subject to an exemption from disclosure under the Arkansas Freedom of Information Act. If a court of competent jurisdiction determines

that said requested information is disclosable or otherwise is not exempt from disclosure under the Arkansas Freedom of Information Act, the City will comply with said finding and notify Hauler. Discovery requests made to the City during the course of any litigation, or any other subpoena or court order issued to the City for information or records related to Hauler and this Agreement, shall be promptly made known to Hauler.

10. Hauler agrees and understands that it shall submit to the City by June 30<sup>th</sup> on an annual basis: (i) a list of all commercial vehicles used to provide services in the City; (ii) proof of appropriate vehicle registration; (iii) and proof of the insurance required under Section 20.
11. 12. Hauler agrees that it shall provide by June 30<sup>th</sup> on an annual basis copies of valid and current hauling and disposal permits from the Arkansas Department of Environmental Quality, the Solid Waste District with jurisdiction, and any local permitting agency.
13. Hauler agrees that it shall comply with all federal, state and local laws applicable to the safety, environmental and transportation matters related to providing solid waste collection services under this Agreement. Hauler agrees that all open-top roll-off style containers will be properly covered during transit on streets and highways within Fayetteville.
14. The City reserves the right to inspect all vehicles and containers to ensure that the vehicles are safe and well-maintained and that all containers are well-maintained and water tight, if necessary.
15. If Hauler utilizes the City's transfer station, Hauler agrees and understands that it shall be required to establish an individual credit or service relationship with the City of Fayetteville transfer station operator. Hauler agrees that it shall comply with all practices, policies and procedures as established by the transfer station operator from time to time. Any tipping fee deposits required by the transfer station or landfill operators shall be refunded, less any unpaid tipping fees, when the Hauler ceases hauling activities governed by this Agreement.
16.
