MEETING OF DECEMBER 18, 2018

TO: Mayor and City Council

FROM: David Dayringer, Fire Chief

DATE: November 27, 2018

SUBJECT: Staff requests approval to accept an Arkansas Forestry Commission Firewise Grant and approval of a Budget Adjustment.

RECOMMENDATION:

The Fire Department has been awarded the Arkansas Firewise Grant for 2018. The Fire Department will use the \$500.00 for minor equipment to give to the community such as special wildland fire rakes, hand tools, posters, and educational materials for the public. This will make our city safer from wildland fires.

DISCUSSION:

The Arkansas Forestry Commission provides financial assistance to help fire departments educate and assist municipalities in becoming fire safe communities through the Firewise Program. The goal of this program is to bring awareness to the dangers of wildland fire within the urban environment. This awareness is brought about through assessing residential and commercial property and identifying hazards that might exist. Once wildland fire hazards have been identified then efforts are made to help facilitate the property owners in reducing their fire danger risk.

BUDGET/STAFF IMPACT:

There is no requirement for matching funds so there should be no impact to budgeted expenses.
