MEETING OF DECEMBER 4, 2018

TO: Mayor and City Council *Mike Reynolds*
FROM: Mike Reynolds, Deputy Chief of Police
DATE: November 14, 2018
SUBJECT: **Evenflo Bid Waiver and Budget Adjustment**

RECOMMENDATION:

Approval of a bid waiver to Evenflo with annual renewal up to four (4) additional years and budget adjustment for the purchase of child safety seats for continuation of our community outreach program in partnership with the Selective Traffic Enforcement Program (STEP) in the amount of \$15,000.

BACKGROUND:

For 18 years, the STEP Grant has provided annual funding for the purchase and distribution of child safety seats throughout our community. Fayetteville Police Department has used this grant funding to purchase various child safety seats through Evenflo's "Worldsafe Factory Direct Discount". In 2017, the STEP Grant funding for purchase of child safety seats was cut from \$15,000 to \$1,000. Police and City Administration used budgetary savings of \$15,000 to continue this community outreach program for the grant period October 2017 through September 2018 grant year.

DISCUSSION:

For the 2018-2019 STEP grant year, the child safety seat program was again funded at only \$1,000, and once again, Police and City Administration requests the use of budgetary savings in the amount of \$15,000 to locally fund this community outreach program. Additionally, staff requests approval of a bid waiver to Evenflo with annual renewal up to four (4) years for the continued purchase of child safety seats through their Worldsafe Factory Direct Discount price sheet (attached). Evenflo has been a partner and supporter of this nationwide community outreach program for many years.

BUDGET/STAFF IMPACT:

Budgetary fuel savings within the Police Department will be used to purchase child safety seats in the amount of \$15,000. STEP grant funding of \$1,000 will be added to purchase a total of \$16,000 worth of child safety seats for our community. This bid waiver and budget adjustment has no impact on staffing.
