Comments: Funds for labor, equipment, materials and services are included in the 2019 Capital Improvements Program.

MEETING OF JANUARY 15, 2019

TO: Mayor and City Council
THRU: Don Marr, Chief of Staff
FROM: Terry Gulley, Transportation Services Department Director
DATE: December 18, 2018
SUBJECT: Approval of 2019 Overlay/Sidewalk Projects

RECOMMENDATION:

Staff and the Transportation Committee recommend a resolution approving the Transportation Division asphalt overlay/sidewalk projects list for 2019.

BACKGROUND:

The Transportation Division reviews the need for street overlays and sidewalk improvements based on conditions, requests, and other factors. The In-House Pavement Improvements program includes asphalt, curb and guttering, pavement striping, and preparation costs for the overlays. The Sidewalk Improvements program improves the connectivity of the sidewalk system by constructing new sidewalk and replacing or repairing existing sidewalks. This project also includes funding for ADA accessible ramps.

DISCUSSION:

The 2019 overlay list presents a total of 59,738 linear feet or 11.31 miles of streets.

The 2019 sidewalk improvements list proposes a total of 7,640 linear feet.

BUDGET/STAFF IMPACT:

Funds for labor, equipment, materials and services are included in the 2019 Capital Improvements Program.
