MEETING OF MARCH 5, 2019

TO: Mayor and City Council

THRU: Terry Gulley, Director of Transportation

FROM: Jesse Beeks, Fleet Operations Superintendent

DATE: February 13, 2019

SUBJECT: Purchase of two Trucks for Water and Sewer Department

RECOMMENDATION:

City Council approve the purchase of two Dodge Ram 1500 trucks available for the State Contract price of \$44,636.00 through Superior Automotive of Siloam Springs, AR for use by the Water and Sewer Department and to approve a budget adjustment.

BACKGROUND:

Two Leak Detection Technician positions were approved for 2019. Vehicles are necessary for these technicians to perform their assigned job duties. The goal is to identify leaks in the water system and dramatically decrease water loss throughout the City of Fayetteville.

DISCUSSION:

Fleet recommends the purchase of a Dodge Ram 1500 Crew Cab 4x2 for \$21,974.00 and a Dodge Ram 1500 Crew Cab 4x4 for \$22,662.00, a total of \$44,636.00 both available for the State Contract price through Superior Automotive of Siloam Springs, AR for use by the Water and Sewer Department.

BUDGET/STAFF IMPACT:

Sufficient funds have been budgeted for these purchases. A budget adjustment is required because the funds were originally budgeted for in Water and Sewer's project and needs to be moved to Fleet's project for purchase.

This item was approved at the February 12, 2019 Equipment Committee.
