Comments:

**MEETING OF MARCH 5, 2019**

**TO:** Mayor and City Council

**THRU:** Terry Gulley, Director of Transportation

**FROM:** Jesse Beeks, Fleet Operations Superintendent

**DATE:** February 13, 2019

**SUBJECT:** **Purchase of Two Expansion Recycling Trucks for Recycling and Trash Collection**

---

**RECOMMENDATION:**

City Council approve the purchase of two Freightliner M2-106 Recycling Trucks with Kann Bodies for the low bid received through Bid 18-52 in the amount of \$171,976.00 each, for a total of \$343,952.00 available through Doggett Freightliner of Springdale, AR for use by the Recycling and Trash Collection Division.

**BACKGROUND:**

This is an expansion of the City's Recycling services. These two trucks are to serve multi-family complexes with 24 units or less. This was a suggestion set out in the Kessler Master Plan.

Please note that Bid 18-56 was done for a Trough style recycling truck. No vendor submitted a bid that fit the City's needs. Also, the lowest bid submitted was \$200,142.00 per truck, which is \$28,166.00 more than the low bid above.

The current body style was designed and adjusted to fit our operation. Purchasing the same body style will save the City cost, training of drivers and technicians, and the space of stocking additional parts needed for different trucks.

**DISCUSSION:**

Fleet recommends the purchase of two Freightliner M2-106 Recycling Trucks with Kann Bodies for the low bid received through Bid 18-52 in the amount of \$171,976.00 each, for a total of \$343,952.00 available through Doggett Freightliner of Springdale, AR for use by the Recycling and Trash Collection Division.

**BUDGET/STAFF IMPACT:**

Sufficient funds have been budgeted for these purchases.  
This item was approved at the February 12, 2019 Equipment Committee.
