

<b>Budget Year</b>	<b>Division</b>	<b>Adjustment Number</b>
2019	WASTEWATER TREATMENT (730)	
	<b>/Org2</b>	
	<b>Requestor:</b> Cheryl Partain	

A Budget Adjustment is needed in the WWTP Building Improvements project for engineering services for the design of aeration basin gates replacement at the Noland Water Resource Recovery Facility. Budgeted funds from the Regional Park Waterline Account will be transferred to this project to cover the cost of this item. The budgeted funds being transferred are cost saving after completing the Regional Park Waterline project.
