Comments:

MEETING OF OCTOBER 1, 2019

TO: Mayor and City Council
THRU: Terry Gulley, Director of Transportation
FROM: Sara Glenn, Fleet Operations Superintendent
DATE: September 11, 2019
SUBJECT: Purchase of one Knuckleboom truck for Recycling and Trash

RECOMMENDATION:

A resolution to authorize the purchase of a Petersen TL3 Lightning Loader with Route Assistant is available for the Sourcewell contract price of \$181,558.46 through Petersen Industries of Lake Wales, FL.

BACKGROUND:

Unit 762 is a 2008 International Knuckleboom truck with 15/15 points and has exceeded its life expectancy. This unit is the only one of its kind in the City's Fleet.

DISCUSSION:

A knuckleboom truck is required when making bulk pickups. Its grapple is used to lift heavy items into the bed of the truck. The current unit is in disrepair and is currently at 163% life to date maintenance cost compared to the original purchase price.

This item was approved at the September 10, 2019 Equipment Committee.

BUDGET/STAFF IMPACT:

Sufficient funds have been budgeted for this replacement and installation.
