## I. Call to Order

A. Chairman Matthew Petty called the meeting of the Fayetteville Advertising and Promotion Commission to order on November 18, 2019 at 2:03 p.m. There was a quorum present.

## II. Old Business

A. Chairman Petty asked for approval of the October 2019 minutes. Commissioner Todd Martin moved to approve the minutes as written. His motion was seconded by Commissioner Chrissy Sanderson. The motion was approved.

## III. New Business

Commissioner Petty asked commissioners to review the packet and he highlighted the most recent HMR collections, up $4.6 \%$ compared to same period and up $4.3 \%$ YTD compared to last year. He also reminded the group that we have an updated vision statement to review and if the group wanted to have more discussion to let him know.
A. Marketing Report - Hazel Hernandez

1. Our Marketing Review YTD indicates that overall users are up 6\%, overall sessions are up 3\% and landing page views are $21 \%$ down, but they are slowly coming up. A lot of the reason for the decrease in this year is from the huge bump in May of 2018 from the Dallas/Ft. Worth market. The landing page views are down due to our doing better targeting and improving our leads. Our online guide requests are up $55 \%$. Organic searches are up $25 \%$.
2. Site Traffic by Top States
a. We expect to see the top five listed because they are states we target, so you'll see Arkansas, Texas (largely Dallas/Ft Worth), Oklahoma (OKC and Tulsa), Missouri and Kansas with Tennessee being \#6. We are considering targeting Tennessee more in 2020.
3. We have a Fall Digital Flight Connected TV campaign going for which we'll see a full report in November, it includes pre-roll, display and social. It's running in Little Rock, Tulsa, Oklahoma City, Dallas/Ft. Worth, Kansas City and Memphis. We also have a Fall flight in stream video, with 1,000,000 views
4. Our Online Guide Requests is broken down by flipbook at $43 \%$, pdf at $38 \%$ and mail requests at $19 \%$, for total request of 6,681.
5. Our Paid Search: consumer/leisure, Town Center and Spanish are all doing well.
6. Our Geo-Fencing doing well and are located at XNA, Tulsa airports and Northwest Arkansas hotels.
7. Hazel displayed our new food videos shown last meeting will be used this holiday season to highlight.
B. We have a vote: a 2-year contract with Edafio, our current IT provider
8. Molly explained that we've been on a month to month service contract with Edafio for several months and have been very pleased with their work and is proposing to move from a month to month contract to a flat fee to allow for staff to have unlimited support rather than a fee for service over an allocated number of hours.
9. Molly requested that they prepare a new Scope of Work to include a flat fee and reviewed this proposal with Keith Macedo, the city of Fayetteville's Director of IT Services. He also met with Edafio and our team to review and ask for some modifications to the contract. While we would be paying a little more each month, we would have a flat fee with unlimited support for staff.
10. For an additional fee, we can include a security awareness program. Molly referred to a recent situation where Fayetteville A \& P was a target of a phishing scam which Molly informed Vince about and brought in Edafio to do the repair work and Edafio proposed the security awareness program which is included as optional in the contract. This optional program is \$4,100.
11. Our attorney Vince Chadick has reviewed the Master Service Agreement and sees no issues.
12. Commissioner Sanderson clarified the length of this contract and Rawn confirmed it was for 2 years.
13. Chair Matthew Petty discussed the advantage of set contract and pointed out that we have several projects with Edafio outside the scope of this ongoing support he sees a lot of benefit in continuing the contract as it will provide efficiencies in working with the same vendor both for day to day service needs and these larger projects. He said that including the security awareness program was a good idea.
14. Commissioner Martin asked if Molly was comfortable with the contract and services provided and Molly said she is pleased and appreciates how Edafio is familiar with some of the complexities of our IT needs with our three locations.
15. Commissioner Martin made a motion to execute the contract with Edafio and Commissioner Bunch seconded it.
16. This motion was approved by all.
17. Chair Matthew Petty expressed his appreciation to Keith Macedo for his review and suggestions of the contract and for all of his time and expertise. Molly seconded this, stating that his involvement led to a better proposal to present to the commission.
18. Brannon Pack, Cycling Coordinator shared his Cycling presentation shared with Hotels at Hotel Hangout in October.
19. The purpose of the presentation is to show our hoteliers and other partners the economic benefits cycling tourism brings to NWA
a. $57 \%$ users on the trails are from out of town
b. They spent 27 million at local businesses in 2017
c. Residents are spending significant funds via cycling
20. Topics for hoteliers:
a. Road Cycling - extensive, accessible, over 900 miles of roads
b. Mountain biking- gave an update on trails coming online
c. Gravel Riding - fastest growing segment in cycling
d. Greenway Riding - Fayetteville has 40+ miles of shared use paved trails including a lot of Razorback Greenway
e. In 2019 Fayetteville ranked $15^{\text {th }}$ in nation by People for Bikes based purely on statistics and objective data
f. How to be bike friendly
i. Provide relevant literature (maps, bike shop locations)
ii. Provide shuttle options
g. Brannon is asking Hoteliers to see how they might become more bike friendly and also providing them with the opportunity for Experience Fayetteville to tell their story
21. Chair Matthew Petty thanked Brannon for the presentation and stated that the rest of the Transportation Committee would be eager to know more about how to support hotels in this effort.
22. Brannon suggested these questions it is important for hotels to consider:
a. Can the bike be shipped to the hotel prior to arrival?
b. Can the bike be stored securely onsite, in the hotel room?
c. Can the hotel offer shuttle service to another city?
23. Brannon is partnering with Fayetteville Chamber and Bike NWA to host workshops for local businesses on January $14^{\text {th }}, 2020$ to offer services including assistance with completing the League of American Bicyclists application.
24. Molly explained that part of the grant from the WFF is aimed at collecting baseline data to help us set goals for program. The goals will encompass both tourism and residents.
25. Molly pointed out that you don't have to be a member of the chamber to attend and any business can attend.
26. The need to increase access for residents on the east side of Crossover was voiced and Brannon mentioned the city is continuing to look at options to propose.
27. Commissioner Martin mentioned bike storage options he's seen in large cities. And it was mentioned that with VeoRide Bike usage increasing and the recent launch of scooters that considering storage options would be a good move.
28. Commissioner Bunch asked what national hotel chains offered the best cycling amenities and Brannon said he didn't know, but that all of the hotels in Fayetteville that he met with were very open to working with us on this initiative.
29. Commissioner Martin asked about any further developments on the Walker Stone House. Molly confirmed that she has a phone call this week with both Sharon Killion and Syard Evans with Art Ventures to discuss the Walker Stone House. They have asked several questions about the historic nature of the home and possible restrictions in utilizing it. In answering their questions, Molly has reached out to the Arkansas Preservation group for guidance on some of the items.
IV. Chairman Petty adjourned the meeting at 2:37 p.m.

Respectfully submitted, Amy Stockton, Director of Operations

Art Ventures will comply with all valid laws, statutes, ordinances, regulations and legal requirements governing the use of the Premises and the activities conducted thereon, including the policies of A\&P Commission, and will not permit or suffer the Premises to be used for any illegal purposes, to create a nuisance, or to create dangerous conditions affecting other persons or property.
12. RIGHT OF ENTRY. A\&P Commission, its officers, officials, employees or agents shall have the right to enter the Premises at any time upon notification to Art Ventures and without interrupting Art Ventures' use of the Premises, for the purpose of inspecting the Premises and determining compliance with laws, statutes, ordinances, regulations and legal requirements, including policies of $\mathbf{A \& P}$ Commission or to ensure the preservation of the Premises in good condition in the event of Art Ventures' failure to perform any obligation of this AGREEMENT.

15. DELIVERY AT END OF LEASE. Upon the expiration of the Duration of this AGREEMENT or any extension thereof, possession of the Premises, including any
improvements thereto, shall be delivered to A\&P Commission free of all persons, goods and things not properly belonging to $\mathbf{A \&} \mathbf{P}$ Commission and in the same condition as the Premises existed at the commencement of this AGREEMENT or upon subsequent completion of any new construction, reconstruction, renovation or repair to any improvements to the Premises, excepting destruction or damage by fire, storm or other casualty and/or ordinary deterioration and reasonable wear and tear, and no demand for such delivery shall be necessary.

All fixtures not integral to the building, furniture and equipment installed by Art Ventures or acquired by Art Ventures independent of this AGREEMENT shall remain Art Ventures' property and may be removed by Art Ventures at the expiration of this AGREEMENT; provided, however, Art Ventures shall restore the Premises and repair any damage thereto caused by such removal.

17. DEFAULT. Art Ventures shall be in default under the provisions of this AGREEMENT upon the happening of the following events or conditions and, in the case of the events and conditions set forth in subparagraphs (a) and (b) below, the failure to cure same within ten (10) days after written notification by A\&P

Art Ventures waives any right to legal process in such an event. No delay in or failure to exercise any of the options herein granted to $\mathbf{A \&} \mathbf{P}$ Commission by reason of a default shall be a waiver thereof, and the waiver on any occasion of default shall not be deemed a waiver of A\&P Commission's right
to exercise its remedies by reason of the same or similar default at any later occasion.
19. HOLDING OVER NOT PERMITTED. Upon the expiration or termination of this AGREEMENT, Art Ventures shall have no right to hold over. Moreover, Art Ventures waives any right to receive legal process to eject Art Ventures.
