**SUBJECT: Purchase of a Skid-Steer and Broom attachment for the Wastewater Department**

---

**RECOMMENDATION:**

City Council to approve the purchase of a Bobcat Skid-Steer Loader with a broom attachment available for the Sourcewell price total of \$61,840.62 available through Bobcat Company of West Fargo, ND and to approve a Budget Adjustment.

**BACKGROUND:**

Unit 6018 was a great purchase in concept with a single arm bucket. However, this unit has been a lemon from day one. Thankfully, we have been able to point issues out to Volvo.

Luckily, the extensive maintenance and repairs that have been required to keep this unit active have been covered by warranty thus far. Being warranty repairs, the points in FASTER does not reflect the need for this unit to be replaced, but it needs to go!

The addition of a broom will assist in keeping lots and Wyman Road clean of debris.

**DISCUSSION:**

Fleet recommends the purchase of the Bobcat Skid-Steer Loader and broom attachment available for the Sourcewell price total of \$61,840.62.

Our local vendor, Williams Tractor Inc. of Fayetteville, AR, will assist in the delivery of the purchase. The order and payment will be made directly to Clark Equipment Co. dba Bobcat Company of West Fargo, ND.

**BUDGET/STAFF IMPACT:**

A Budget Adjustment is submitted to Council to cover the difference in budget for the purchase of both items.

There is also a short fall in collections on unit 6018 that should be covered through the sale.

This purchase was approved at the December 31, 2019 Equipment Committee.
