**DATE:** January 15<sup>th</sup>, 2020  
**SUBJECT:** **Purchase of a Hybrid Ford Interceptor for the Police Department**

---

**RECOMMENDATION:**

City Council to repeal Resolution #274-19 and authorize the purchase of a Hybrid Ford Interceptor from Lewis Ford of Fayetteville, AR in the amount of \$36,233, pursuant to a state procurement contract for the use of the Police Department.

**BACKGROUND:**

Police has unit 1175, a 2008 Ford Escape Hybrid. This unit has served its life expectancy and has 15/15 points. This SUV is used to access PD generators located in off-road areas.

Previously, a Toyota Rav4 available through National Auto Fleet Group of Watsonville, CA was selected and approved for this replacement under Resolution 274-19. Upon further review, the local vendor's price and SUV option was identified as a superior switch.

**DISCUSSION:**

Fleet recommends the purchase of the Hybrid Ford Interceptor available for the state contract price of \$36,233.00 through Lewis Ford of Fayetteville, AR for the Police Department.

**BUDGET/STAFF IMPACT:**

Sufficient fund has been budgeted and collected for this purchase.

This purchase was approved at the January 14<sup>th</sup> Equipment Committee Meeting.
