MEETING OF OCTOBER 20, 2020

SUBJECT: Sourcewell Contract

RECOMMENDATION:

A resolution to authorize the purchase of facility security equipment, systems, and services with related equipment and supplies on an as-needed basis, from Convergent Technologies utilizing Sourcewell contract #031517-CTL through June 30, 2021, and any future renewal periods.

BACKGROUND:

Sourcewell cooperative purchasing, formally National Joint Powers Alliance, competitively bids out various products and services for state and local government agencies. Sourcewell holds hundreds of competitively solicited cooperative contracts that allow agencies to benefit from the shared purchasing power of a national purchasing cooperative and reduces procurement overhead. Every Sourcewell contract is the result of a formal competitive solicitation conducted by trained, professional procurement officials and made available through the Sourcewell's cooperative purchasing program. Sourcewell bid Facility Security Equipment, Systems, and Services with Related Equipment and Supplies which includes fiber optic and network cabling in March of 2017. Contract #2018011-01 was awarded on June 29, 2017 to Convergent and the initial term is valid through June 30, 2021.

DISCUSSION:

The City is currently working on proposed project to connect City Hall and Town Center facilities via fiber optic cable and are in need of a contractor to perform the work. Convergent offers this services through Sourcewell's contract #2018011-01 that would allow the City to move quickly to connect the buildings. Purchasing security and communication solutions from the Sourcewell contract gives the City an opportunity to have competitive pricing which is based off a high-volume discount. If the City were to bid such products and services itself, it would not benefit from the shared purchasing power that the Sourcewell cooperative contract provides. There is no fee to the City to purchase from the contract.

BUDGET/STAFF IMPACT:

Security and communication technology solutions is budgeted within each division and various capital improvement projects and operating budgets across the City.

Sourcewell Contract

June 6, 2018

The National Joint Powers Alliance (NJPA) will formally be known as Sourcewell beginning June 6, 2018.

The NJPA Board of Directors on May 15, 2018 voted to approve changing the organization's name to Sourcewell. Documentation has been formally submitted for Sourcewell to be registered and trademarked, both federally and in Minnesota, with the appropriate agencies.

Sourcewell has worked intentionally to mitigate the implications of this change to current and potential members, currently awarded vendors, and other existing partners. After June 6th, 2018, Sourcewell will maintain and continue to recognize the National Joint Powers Alliance name. Membership agreements, contracts, and agreements entered into with the National Joint Powers Alliance will remain valid and continue in effect without impact. This will ensure contractual continuity and safeguard any disruptions to engagement with Sourcewell. This includes membership, use of cooperative purchasing contracts, or other contractual engagements.

Sincerely,

Marcus Miller

General Counsel and Director of Government Relations
