**SUBJECT: A resolution to approve an agreement between the City of Fayetteville, Arkansas and Jordan Disposal, LLC to haul and dispose of solid waste in the City of Fayetteville**

---

**RECOMMENDATION:**

Staff recommends City Council approval of a resolution with Jordan Disposal, LLC for the hauling and disposal of solid waste in the City of Fayetteville.

**BACKGROUND:**

City Code 50.29 - Private Collectors; Contract With City Required

No person, except a duly authorized agent or employee of the city, shall empty garbage or trash receptacles, or convey or transport garbage or trash on the streets or public thoroughfares of the city, without a written contract with the city. (Code 1965, §10-46; Ord. No. 1194, 4-6-59; Code 1991, §50.29)

In accordance with this City Code, Jordan Disposal has submitted a request for contract to haul solid waste within the city limits of Fayetteville.

There are currently 11 approved franchise haulers operating in the city of Fayetteville. Attached is a list of these haulers and the materials they are approved to haul.

**DISCUSSION:**

The hauling contract will permit Jordan Disposal to collect and haul Class 1 and Class 4 solid waste using open-top roll-off style containers with capacities of 20 cubic yards or greater, or roll-off style compactors with capacities of 20 cubic yards or greater. No unseparated recyclables, with the exception of construction/demolition waste, shall be hauled from any customer within the corporate limits of the City of Fayetteville.

The agreement requires Jordan Disposal to pay a monthly fee to the City of Fayetteville of 10% of the gross revenue received for providing solid waste hauling services.

The term of the agreement will be 2 years with automatic renewals for 2 additional 2-year terms. Staff proposes approval for Jordan Disposal, LLC to haul and dispose of solid waste within the City of Fayetteville per the terms of the attached agreement.

Mr. Pennington,

My name is Gregg Klumper, I am the General Manager of Jordan Disposal LLC out of Galena KS.

Jeff Coles contacted me today and informed me we are breaking a city ordinance by having one of our roll off containers set within city limits (we are removing that container today) while not having a franchise agreement with the City of Fayetteville.

I would like to ask the City of Fayetteville for a franchise agreement with Jordan Disposal LLC so that we may provide roll off trash collection services within the city limits. We would provide the following sizes of roll off containers: 10-yard, 20-yard, 30-yard, 40-yard.

Please feel free to contact me to answer any questions you may have about our operation. Please let me know when this matter will be brought before city council.

Thank you,

Gregg Klumper

## **AGREEMENT TO HAUL AND DISPOSE OF SOLID WASTE IN THE CITY OF FAYETTEVILLE**

This Agreement (the "Agreement"), is entered into on this \_\_\_\_\_ day of \_\_\_\_\_ 2020, between the City of Fayetteville, Arkansas, a municipal corporation (the "City"), and Jordan Disposal, LLC (the "Hauler"), and shall be in full force and effect on the date first written above, City and Hauler agree as follows:

1. The term of this Agreement shall be for two (2) years, with automatic renewals for two (2) additional two (2) year terms, unless otherwise terminated pursuant to the terms hereof. Notice of non-renewal by either City or Hauler shall be given at least thirty days prior to the end of the current term.
2. Hauler agrees that from and after the original date of this Agreement, all customer service Agreements for facilities within the corporate limits of the City, excluding residential areas, entered into before or after the effective date of this Agreement, or renewed shall have terms of no more than one (1) year and any subsequent extensions shall be for terms of no more than one (1) year. No customer service Agreement shall extend the terms of this Agreement.
3. Hauler agrees and understands that it may only collect and haul Class 1 and Class 4 Solid Waste and/or Recyclables using the type equipment commonly referred to as open-top roll-off style containers with capacities of twenty (20) cubic yards or greater, or roll-off style compactor containers with capacities of twenty (20) cubic yards or greater, containing waste generated from industrial, large commercial or construction/demolition activities, or which is classified as Special Waste, Hazardous Waste, grease or any other type Solid Waste which requires special handling or disposal. Hauler shall not collect any Class 1 or Class 4 material in other containers. No recyclables shall be hauled from any customer within the corporate limits of the City of Fayetteville.
4. In consideration of the right to provide the hauling of solid waste described in Item #3 above, Hauler agrees and understands that it shall be required to pay a monthly fee of ten (10%) percent (the "Solid Waste Fee") of the gross revenue received for providing solid waste hauling services.
5. Hauler agrees and understands that it shall deliver all Class 1 and Class 4 waste to a properly licensed landfill facility. Hauler shall pay all transfer station fees to the transfer station operator and all landfill fees to the landfill operator, as they may be established and amended, from time to time.
6. Hauler shall pay all fees due hereunder, along with submitting "Attachment A: Solid Waste Documentation", or page 1 of Attachment A in conjunction with an agreed upon vendor generated report, on or before the 15<sup>th</sup> of each calendar month for the immediately preceding calendar month. Payments of fees received after the due date shall be assessed a 10% penalty per month. If Hauler fails to pay the fees within forty-five (45) days of the due date, the City may terminate this Agreement upon delivery of one (1) written notice to the Hauler. The supporting information shall be sufficient to demonstrate the accuracy of the fee calculation, and shall include the following information: (i) Hauler's worksheet calculating the fees remitted; (ii) a list of payments received from customers within the City; (iii) such list shall clearly indicate whether each payment was from a permanent or temporary customer, and (iv) the fee shall be based upon all activity from each customer account within the City, and shall include the normal billing charges for all free or discounted services (including those for non-profit organizations) including but not limited to

delivery, pull charges, disposal charges, transportation charges, final pull charges, and return charges. With payment remittance, the City will review and obtain certain trade secret information, including rates, frequency of service, customer lists, and other customer information ("Confidential Information"). The City asserts this information is exempt from disclosure under the Arkansas Freedom of Information Act as the information meets the exemption for records that "if disclosed would give advantage to competitors."

7. The City shall have the right to conduct an audit of Hauler's customer files and records for all customers located within the City, provided that such audit privilege shall be limited to once per calendar quarter. If such audit reveals the Hauler should have paid at least 5% more than reported, the cost of the audit shall be paid by the Hauler to the City. During such audit, the City may review and obtain certain trade secret information, including rates, frequency of service, customer lists, and other customer information ("Confidential Information"). This information shall not be divulged to any third party by the City, its employees, officers, or elected officials without the express written consent of the Hauler, or as otherwise required by law. The City asserts this information is exempt from disclosure under the Arkansas Freedom of Information Act as the information meets the exemption for records that "if disclosed would give advantage to competitors."
8. The City will advise Hauler of any request for information which the City, at the City's sole discretion, determines to be non-disclosable or otherwise subject to an exemption from disclosure under the Arkansas Freedom of Information Act. If a court of competent jurisdiction determines that said requested information is disclosable or otherwise is not exempt from disclosure under the Arkansas Freedom of Information Act, the City will comply with said finding and notify Hauler. Discovery requests made to the City during the course of any litigation, or any other subpoena or court order issued to the City for information or records related to Hauler and this Agreement, shall be promptly made known to Hauler.
9. Hauler agrees and understands that it shall submit to the City by June 30<sup>th</sup> on an annual basis: (i) a list of all commercial vehicles used to provide services in the City; (ii) proof of appropriate vehicle registration; (iii) and proof of the insurance required in the Agreement.
10. Hauler agrees and understands that it shall provide by June 30<sup>th</sup> on an annual basis: (i) a list of vehicle operators collecting and hauling waste in the City of Fayetteville; (ii) proof of their valid and appropriate commercial drivers' licenses; (iii) and the provision, maintenance, and implementation of a plan to ensure that the vehicle operators maintain their commercial driver's licenses in accordance with applicable federal and state laws.
11. Hauler agrees that it shall provide by June 30<sup>th</sup> on an annual basis copies of valid and current hauling and disposal permits from the Arkansas Department of Environmental Quality, the Solid Waste District with jurisdiction, and any local permitting agency.
12. Hauler agrees that it shall comply with all federal, state and local laws applicable to the safety, environmental and transportation matters related to providing solid waste collection services under this Agreement. Hauler agrees that all open-top roll-off style containers will be properly covered during transit on streets and highways within Fayetteville.
13. The City reserves the right to inspect all vehicles and containers to ensure that the vehicles are safe and well-maintained and that all containers are well-maintained and water tight, if necessary.

14. If Hauler utilizes the City's transfer station, Hauler agrees and understands that it shall be required to establish an individual credit or service relationship with the City of Fayetteville transfer station operator. Hauler agrees that it shall comply with all practices, policies and procedures as established by the transfer station operator from time to time. Any tipping fee deposits required by the transfer station or landfill operators shall be refunded, less any unpaid tipping fees, when the Hauler ceases hauling activities governed by this Agreement.
15. This Agreement has been entered into freely and voluntarily by Hauler which agrees to abide by all of the terms and conditions as a matter of contractual obligation pursuant to applicable City ordinances. This is a contractual Agreement and is not intended to be part of or relate in any way to any license or ordinance created pursuant to A.C.A. §26-77-102.
16. Neither this Agreement, nor any rights or obligations hereunder may be assigned or transferred to any third part or affiliate.
17. For the purpose of this contract, the Point of Contact for the City of Fayetteville shall be the City's Environmental Director. The Point of Contact for the Hauler shall be Gregg Klumper. Communications pertaining to day-to-day aspects of this contract shall be through these individuals. 19. Insurance: Hauler shall maintain the following insurance coverage during the term of this Agreement:
  - a) Hauler shall provide and maintain, during the term of this Agreement, comprehensive general liability insurance, to protect against all claims arising out of the performance of its services hereunder that result in bodily injury, death or property damage.
