MEETING OF 11/5/2020

TO: Mayor and City Council

THRU: Lisa Thurber, Director of Communications
Susan Norton, Chief of Staff

FROM: Doug Bankston, Director of Media Services

DATE: 10/16/2020

SUBJECT: Purchase Audio-Visual Equipment from Key Code Media Under OMNIA/National IPA Contract to Facilitate Socially Distanced Public Meetings at the Town Hall Center and in City Hall Room 219 Due to the Coronavirus Pandemic

RECOMMENDATION:

Staff recommends purchasing audio-visual equipment from Key Code Media under OMNIA/National IPA contract to facilitate public, socially distanced, in-person City meetings at the Town Center and to better facilitate social-distancing protocols in City Hall Room 219.

BACKGROUND:

City Council and other meetings held in Room 219 have been virtual via Zoom since early in the COVID-19 pandemic.

DISCUSSION:

City Administration will be hosting public engagement sessions on large scale projects using a combination of in-person "charrette" style meetings and virtual engagement via website and Speakup. These meetings were typically held in City Hall room 111 or 326 but due to distancing requirements with COVID, public engagement meetings will need more space than those rooms allow. The spacious venue of the Town Center enables this, but audio-visual equipment must be procured for in-room, broadcast, and recording needs. City Hall Room 219 requires some additional audio-visual equipment and reconfiguration to better facilitate that room's social distancing flexibility for other public meetings and/or events.

BUDGET/STAFF IMPACT:

Purchase cost is \$41,249.21, plus estimated shipping of \$750.00 and estimated taxes of \$4,124.92, for a total of \$46,124.92 from the COVID-19 Disaster Recovery Fund. Request for a contingency of \$5,000, for a total of \$51,124.92. The intention is to use CARES Act Funding, if possible, for the purchase. No staff impact.
