For immediate release:

The Arkansas Brewers Guild (ABG) is celebrating the 2nd Annual Arkansas Craft Beer Week (ACBW) March 1-7, 2021. This year's ACBW will be working to encourage beer lovers in our community to support local craft breweries, while ensuring that all participants are complying with recommended health guidelines. While it will not be possible to hold large scale events, the ABG and its partners believe it is more important than ever to move forward with ACBW to come together as an industry to spread some cheer, promote our breweries' impact, and continue to build ACBW into an anticipated and celebrated week of Arkansas craft beer.

"We are ready to celebrate the craft beer community in Arkansas" says Executive Director Sylvia Blain. "The pandemic has been a difficult time for our members, but we have seen the addition of three new breweries, new partnerships and collaborations between breweries, and innovation among our ranks".

Fans of Arkansas Craft Beer are encouraged to visit their local breweries and to keep an eye out for special promotions to coincide with the event.
