**DATE:** June 16, 2021  
**SUBJECT:** Purchase of Skid steer with Planer Attachment

---

**RECOMMENDATION:**

Council approves the purchase a Caterpillar Skid Steer with Planer attachment using Sourcewell Cooperative Contract pricing in the amount of \$83,344.92 plus applicable taxes through the Riggs Tractor Co.,.

**BACKGROUND:**

Unit 6008 is a 2015 Volvo skid steer that has 13.8/15 points. This vehicle has exceeded its life expectancy. This is commonly used with unit 6023, a 2017 Erskine Planer attachment. However, because they were not purchased together, nor the same brand they have never worked well together and have always caused issues for our street crews.

**DISCUSSION:**

A Caterpillar Skid Steer with Planer attachment is available for the Sourcewell Contract price in the amount of \$83,344.92, plus applicable taxes through Riggs Cat of Springdale, AR.

**BUDGET/STAFF IMPACT:**

Sufficient funds have been budgeted and collected for each individual purchase.

Each item was approved at the June 8<sup>th</sup>, 2021 Equipment Committee meeting.
