MEETING OF MAY 17, 2022

TO: Mayor and City Council

FROM: Brad Hardin, Fire Chief

DATE: April 27, 2022

SUBJECT: Approval of a resolution and budget adjustment to purchase air cascade systems and parts for Fire Department stations #8 & #9 from G & W Diesel Services/EVS through the Houston-Galveston Area Council (HGAC).

RECOMMENDATION:

Approval of a resolution and budget adjustment to purchase air cascade systems and parts for Fire Department stations #8 & #9 from G & W Diesel Services/EVS through the Houston-Galveston Area Council (HGAC) Contract #EE08-19, EE19KEA Product Code Member #14-3975. The purchase amount will be \$93,084.72 utilizing 2019 Bond Funds.

BACKGROUND:

The air cascade systems and parts are necessary to refill our self-contained breathing apparatus (SCBA) bottles used for breathing air when in environments that are toxic. The air cascade systems are vital to fire department operations and the safety of our personnel.

DISCUSSION:

These air cascade systems will be utilized in the new fire stations #8 & #9. Systems for both stations were approved in the initial fire station bond project as items to be purchased directly by the city to ensure compatibility with existing equipment.

BUDGET/STAFF IMPACT:

The purchase amount will be \$93,084.72 through the Fire Projects 2019 Bond Funds.
