AGREEMENT TO HAUL AND DISPOSE OF SOLID WASTE IN THE CITY OF FAYETTEVILLE

This Agreement (the “Agreement”), is entered into on this _____ day of _____ 2022, between the **City of Fayetteville, Arkansas**, a municipal corporation (the “City”), and On Point Dumpster Rental NWA, LLC (the “Hauler”), and shall be in full force and effect on the date first written above, City and Hauler agree as follows:

1. The term of this Agreement shall be for two (2) years, with automatic renewals for two (2) additional two (2) year terms, unless otherwise terminated pursuant to the terms hereof. Notice of non-renewal by either City or Hauler shall be given at least thirty days prior to the end of the current term.
2. Hauler agrees that from and after the original date of this Agreement, all customer service Agreements for facilities within the corporate limits of the City, excluding residential areas, entered into before or after the effective date of this Agreement, or renewed shall have terms of no more than one (1) year and any subsequent extensions shall be for terms of no more than one (1) year. No customer service Agreement shall extend the terms of this Agreement.
3. Hauler agrees and understands that it may only collect and haul Class 1 and Class 4 Solid Waste and/or Recyclables using the type equipment commonly referred to as open-top roll-off style containers with capacities of twenty (20) cubic yards or greater, or roll-off style compactor containers with capacities of twenty (20) cubic yards or greater, containing waste generated from industrial, large commercial or construction/demolition activities, or which is classified as Special Waste, Hazardous Waste, grease or any other type Solid Waste which requires special handling or disposal. Hauler shall not collect any Class 1 or Class 4 material in other containers. No unseparated recyclables, with the exception of construction/demolition waste, shall be hauled from any customer within the corporate limits of the City of Fayetteville. All hauled waste and/or recyclables shall be suitably enclosed or covered as to prevent roadside littering.
4. In consideration of the right to provide the hauling of solid waste and/or recyclables described in Item #3 above, Hauler agrees and understands that it shall be required to pay a monthly fee of: ten (10%) percent (the “Solid Waste Fee”) of the gross revenue received for providing solid waste hauling services and five (5%) percent (the “Recycling Fee”) of the gross revenue received for providing the hauling of recyclables or construction/demolition waste to a permitted construction and demolition waste sorting facility. Any construction/demolition waste that is not hauled to and accepted by a permitted construction and demolition waste sorting facility or any recyclables not accepted by a recycling facility or recycling broker shall be subject to the 10% Solid Waste Fee.
5. Hauler agrees and understands that it shall deliver all Class 1 waste to a properly licensed landfill facility and all Class 4 waste to a properly licensed landfill facility or a properly licensed construction and demolition waste sorting facility. Hauler shall pay all tip fees to the construction and demolition waste sorting facility operator, transfer station fees to the transfer station operator and all landfill fees to the landfill operator, as they may be established and amended, from time to time.
6. Hauler shall pay all fees due hereunder, along with submitting “Attachment A: Solid Waste Documentation”, or page 1 of Attachment A in conjunction with an agreed upon vendor generated report, on or before the 15th of each calendar month for the immediately preceding calendar month.

Payments of fees received after the due date shall be assessed a 10% penalty per month. If Hauler fails to pay the fees within forty-five (45) days of the due date, the City may terminate this Agreement upon delivery of one (1) written notice to the Hauler. The supporting information shall be sufficient to demonstrate the accuracy of the fee calculation, and shall include the following information: (i) Hauler's worksheet calculating the fees remitted; (ii) a list of payments received from customers within the City; (iii) such list shall clearly indicate whether each payment was from a permanent or temporary customer, and (iv) the fee shall be based upon all activity from each customer account within the City, and shall include the normal billing charges for all free or discounted services (including those for non-profit organizations) including but not limited to delivery, pull charges, disposal charges, transportation charges, final pull charges, and return charges. With payment remittance, the City will review and obtain certain trade secret information, including rates, frequency of service, customer lists, and other customer information ("Confidential Information"). The City asserts this information is exempt from disclosure under the Arkansas Freedom of Information Act as the information meets the exemption for records that "if disclosed would give advantage to competitors."

7. Hauler shall pay all fees due hereunder, along with submitting "Attachment B: Recycling Documentation", on or before the 15th of each calendar month for the immediately preceding calendar month. Payments of fees received after the due date shall be assessed a 10% penalty per month. If Hauler fails to pay the fees within forty-five (45) days of the due date, the City may terminate this Agreement upon delivery of one (1) written notice to the Hauler. The supporting information shall be sufficient to demonstrate the accuracy of the fee calculation, and shall include the following information: (i) volumes of recycling collected, in tons, by commodity, with disposition by destination market, for all recycling; (ii) volumes of construction and demolition waste delivered to permitted construction and demolition waste sorting facility and percentage of material recovered. With payment remittance, the City will review and obtain certain trade secret information, including rates, frequency of service, customer lists, other customer information, and contracts with recyclers and processing mills ("Confidential Information"). The City asserts this information is exempt from disclosure under the Arkansas Freedom of Information Act as the information meets the exemption for records that "if disclosed would give advantage to competitors."
8. The City shall have the right to conduct an audit of Hauler's customer files and records for all customers located within the City, provided that such audit privilege shall be limited to once per calendar quarter. If such audit reveals the Hauler should have paid at least 5% more than reported, the cost of the audit shall be paid by the Hauler to the City. During such audit, the City may review and obtain certain trade secret information, including rates, frequency of service, customer lists, and other customer information ("Confidential Information"). This information shall not be divulged to any third party by the City, its employees, officers, or elected officials without the express written consent of the Hauler, or as otherwise required by law. The City asserts this information is exempt from disclosure under the Arkansas Freedom of Information Act as the information meets the exemption for records that "if disclosed would give advantage to competitors." This information will only be reviewed by City financial staff, and will not be made available to City solid waste staff.
9. The City will advise Hauler of any request for information which the City, at the City's sole discretion, determines to be non-disclosable or otherwise subject to an exemption from disclosure under the Arkansas Freedom of Information Act. If a court of competent jurisdiction determines that said requested information is disclosable or otherwise is not exempt from disclosure under the

Arkansas Freedom of Information Act, the City will comply with said finding and notify Hauler. Discovery requests made to the City during the course of any litigation, or any other subpoena or court order issued to the City for information or records related to Hauler and this Agreement, shall be promptly made known to Hauler.

12. Hauler agrees that it shall provide by June 30th on an annual basis copies of valid and current hauling and disposal permits from the Arkansas Department of Environmental Quality, the Solid Waste District with jurisdiction, and any local permitting agency.
13. Hauler agrees that it shall comply with all federal, state and local laws applicable to the safety, environmental and transportation matters related to providing solid waste collection services under this Agreement. Hauler agrees that all open-top roll-off style containers will be properly covered during transit on streets and highways within Fayetteville.
14. The City reserves the right to inspect all vehicles and containers to ensure that the vehicles are safe and well-maintained and that all containers are well-maintained and water tight, if necessary.
15. If Hauler utilizes the City's transfer station, Hauler agrees and understands that it shall be required to establish an individual credit or service relationship with the City of Fayetteville transfer station operator. Hauler agrees that it shall comply with all practices, policies and procedures as established by the transfer station operator from time to time. Any tipping fee deposits required by the transfer station or landfill operators shall be refunded, less any unpaid tipping fees, when the Hauler ceases hauling activities governed by this Agreement.
