Comments:

MEETING OF DECEMBER 6, 2022

TO: Mayor and City Council

FROM: Brad Hardin, Fire Chief

DATE: October 31, 2022

SUBJECT: Approval of a resolution to purchase lifesaving bailout system firefighting equipment for use by the Fayetteville Fire Department from NAFECO via the NPPGOV Cooperative Contract #PS20045 through City of Fayetteville NPPGOV Number #M-5701142

RECOMMENDATION:

Approval of a resolution to purchase lifesaving bailout system firefighting equipment for use by the Fayetteville Fire Department from NAFECO via the NPPGOV Cooperative Contract #PS20045 through City of Fayetteville NPPGOV Number #M-5701142

BACKGROUND:

Our Department has identified NPPGOV Cooperative Purchasing from NAFECO as the most cost-effective manner to purchase firefighting bailout systems equipment at this time. This equipment is specifically designed to allow for rapid and safe evacuation from the upper floors of fire involved structures.

DISCUSSION:

On a fire scene, rapidly changing conditions can often cut off a firefighter's means of egress, leaving the only option of exiting through a window, often from a 2nd or 3rd floor causing injury or worse to those firefighters. With the increase in multi-family and multi-story homes related to infill, providing this equipment will ensure firefighters can avoid serious injury.

BUDGET/STAFF IMPACT:

Funds exist in the Capital Improvement Project, Firefighting Safety Equipment, Project #16002.1 to allow the funding for the current purchase at a cost of \$82,915.58.
