

MEETING OF MAY 2, 2023

TO: Mayor Jordan and City Council
THRU: Terry Gulley, Asst Public Works Director - Ops
FROM: Ross Jackson, Jr., Fleet Operations Superintendent
DATE:
SUBJECT: **Transportation Milling Machine**

RECOMMENDATION:

COUNCIL APPROVES THE PURCHASE OF ONE (1) 2023 WIRTGEN W207FI MILLING MACHINE FROM STRIBLING EQUIPMENT, LLC FOR THE SOURCEWELL CONTRACT COOPERATIVE PURCHASE PRICE OF \$809,302.38 AND APPROVE A BUDGET ADJUSTMENT.

BACKGROUND:

The Transportation department's unit 9199, a Wirtgen Milling Machine is currently approaching 10 years old with an expected life expectancy of 10 years. A new Milling Machine is currently available for purchase. The Fleet Division would like to trade this unit in for an equivalent make and model unit.

DISCUSSION:

Due to the City only having one Milling Machine for the entire paving program, it is paramount to keep it in excellent condition. Because of the nature of the machine, it is very important to keep it up to date to prevent an entire stoppage of the City's paving program. We currently have an opportunity to trade it in at an excellent value from the original company that sold it to us. A new unit can be provided once approved by the City Council.

BUDGET/STAFF IMPACT:

Equipment was not budgeted for FY 23, a budget adjustment will follow at the May 2nd City Council meeting.

This equipment was approved at the April 11th Equipment Committee.
