

MEETING OF JUNE 6, 2023

TO: Mayor Jordan and City Council
THRU: Terry Gulley, Asst Public Works Director - Ops
FROM: Ross Jackson, Jr., Fleet Operations Superintendent
DATE:
SUBJECT: SPRINGDALE TRACTOR - KUBOTA AIRPORT MOWER

RECOMMENDATION:

COUNCIL APPROVES A RESOLUTION TO PURCHASE ONE (1) 2023 Kubota ZD1211R-3-60R WITH A SOURCEWELL COOPERATIVE PURCHASE PRICE OF \$16,651.72 PLUS APPLICABLE TAXES AND FREIGHT CHARGES FROM SPRINGDALE TRACTOR AND APPROVE A BUDGET ADJUSTMENT.

BACKGROUND:

Unit # 5092 is 2019 Kubota Mower used to mow Drake Field. This mower is 4 years into a 5 year service life.

DISCUSSION:

The Airport's current mower, unit # 5092 has had consistent major mechanical failures and is no longer able to perform the needed daily tasks for the airport. Within slightly over a year this unit had \$6,869.55 in repair costs and is no longer fit for front line duty or able to perform the needed daily tasks for the airport. Fleet is recommending replacement instead of any further repairs.

BUDGET/STAFF IMPACT:

The replacement unit was not budgeted for replacement until 2024. However, moving this replacement up is the most cost-effective approach at this time. A budget adjustment is being submitted to utilize Fleet's fund balance for this purchase.

This mower was approved at the March 10th Equipment Committee.
