MEETING OF DECEMBER 5, 2023

TO: Mayor Jordan and City Council
THRU: Terry Gulley, Asst Public Works Director - Ops
FROM: Ross Jackson, Jr., Fleet Operations Superintendent
DATE:
SUBJECT: ROTOCHOPPER INC:

RECOMMENDATION:

A RESOLUTION TO AUTHORIZE THE PURCHASE OF A ROTOCHOPPER FP66TT TRACK TRAILERABLE FROM ROTOCHOPPER INC. IN THE AMOUNT OF \$634,952, PLUS ANY APPLICABLE FREIGHT CHARGES, SURCHARGES AND DELIVERY FEES UP TO 10% OF THE ORIGINAL PURCHASE PRICE, PURSUANT TO A SOURCEWELL COOPERATIVE PURCHASING CONTRACT (030923-RTO), AND TO APPROVE A BUDGET ADJUSTMENT.

BACKGROUND:

Unit 4026 is a 2015 Rotochopper FP-66 that has been in service since March of 2015. It is quickly approaching 9 years in a 8 year life cycle.

DISCUSSION:

Overall this unit has been very reliable and capable for the City of Fayetteville. The shop staff have become very proficient and knowledgeable with the specialized repairs these units require. Due to the age of unit 4026 it has had increasing mechanical and hydraulic issues that result in extended down time and repairs. Fleet recommends we move forward with the purchase of the replacement Rotochopper and trade in of unit 4026. This will also allow RTC staff to save time, better utilize labor, reduce exhaust and green house gas emissions and additional equipment required to tow and move the replacement Rotochopper.

BUDGET/STAFF IMPACT:

Because this purchase is an upgrade, it will require a budget adjustment that is being submitted to utilize both Fleet and RTC's fund balance for this purchase. This unit was presented at the November 14th Equipment Committee.
