**RECOMMENDATION:**

Parks, Natural Resources and Cultural Affairs staff recommend the approval of a contract with MVP Sports Photography for photography services for youth soccer and softball programs.

**BACKGROUND:**

Parks, Natural Resources and Cultural Affairs offers youth soccer programming in the spring and fall seasons, and youth softball programming during the spring season. A traditional component of each program is individual and team photos to celebrate the participant's seasons. Parks, Natural Resources and Cultural Affairs has provided this opportunity in the past through a contract with a third-party vendor who offers a menu of package options for the participants to choose from.

**DISCUSSION:**

Earlier this year the City advertised RFP 23-11 for park programs photographer, and MVP Sports Photography was the sole submission. Although there was only one submission for this photography service, the selection committee recommended MVP Sports Photography based on their submission and previous experience providing this service for Parks, Natural Resources and Cultural Affairs for the past five years.

**BUDGET/STAFF IMPACT:**

There are no expenses associated with this contract. The contract will be for one (1) year and may be automatically renewed for an additional four (4) one-year terms for a possible contract term of five (5) years. MVP Sports Photography will pay the City 10% of total gross sales of all photography-related items.
