Legislation Text

File #: 2024-1877

Approval of Contract Amendment #2 in the amount of \$20,475.00 with McClelland Consulting Engineers for the North Street Corridor Project and approval of a budget adjustment.

A RESOLUTION TO APPROVE AMENDMENT NO. 2 TO THE CONTRACT WITH MCCLELLAND CONSULTING ENGINEERS, INC. IN THE AMOUNT OF \$20,475.00 TO PROVIDE ADDITIONAL SERVICES ASSOCIATED WITH THE NORTH STREET CORRIDOR PROJECT, AND TO APPROVE A BUDGET ADJUSTMENT – 2019 STREET IMPROVEMENTS BOND PROJECT

WHEREAS, on March 16, 2021, the City Council approved Resolution # 88-21 and authorized Mayor Jordan to sign a professional engineering services agreement with McClelland Consulting Engineers, Inc. for the design of the North Street Corridor Project; and

WHEREAS, Amendment No. 2 to the agreement provides for additional services associated with improvements to the intersection of North Street and North College Avenue.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF FAYETTEVILLE, ARKANSAS:

Section 1: That the City Council of the City of Fayetteville, Arkansas hereby approves Amendment No. 2 to the contract with McClelland Consulting Engineers, Inc. in the amount of \$20,475.00 to provide additional services associated with the North Street Corridor Project.

Section 2: That the City Council of the City of Fayetteville, Arkansas hereby approves a budget adjustment, a copy of which is attached to this Resolution.

MEETING OF APRIL 16, 2024

TO: Mayor Jordan and City Council

THRU: Chris Brown, Public Works Director
Susan Norton, Chief of Staff

FROM: Matt Casey, Engineering Design Manager

SUBJECT: **Approval of Contract Amendment #2 in the amount of \$20,475.00 with McClelland Consulting Engineers for the North Street Corridor Project and approval of a budget adjustment.**

RECOMMENDATION:

Staff recommends approval of Contract Amendment #2 in the amount of \$20,475.00 with McClelland Consulting Engineers for the North Street Corridor Project and approval of a budget adjustment.

BACKGROUND:

This 2019 Transportation Bond Project extends along North Street from Garland Avenue to Mission Boulevard. This corridor is an important east-west route for commuter traffic, that runs through existing neighborhoods. The project includes a mix of congestion relief, capacity improvements, pedestrian and bicycle facilities that will address issues for all users. The City Council approved a design contract with McClelland Consulting Engineers in March of 2021.

Phase 1 of the corridor includes improvements to the intersection with North Street and N. College Avenue. The improvements include the addition of a dedicated left turn lane on the east leg of the intersection, crosswalks, pavement overlay, striping and signal updates. On March 5, 2024, the City council approved a construction contract with Benchmark Construction Company of NWA, INC. for the construction of this phase.

DISCUSSION:

The approved contract with MCE does not include bidding services, construction phase services and materials testing. Staff has worked with MCE to develop a scope that will include support for the contractor and city staff as needed throughout the construction of this project. MCE has provided a fee in the amount of \$20,475.00 for this additional work. The contract will be paid based on hourly rates for work completed, up to the total contract amount.

BUDGET/STAFF IMPACT:

This work will be paid for with funds from the 2019 Transportation Bond Fund. With this contract amendment, the new design contract will be \$300,875.00.
