THRU: Alison Jumper, Director of Parks, Natural Resources and Cultural Affairs

FROM: Ted Jack, Park Planning Superintendent
SUBJECT: **Lighting System for Pickleball and Basketball Courts at Wilson Park**

RECOMMENDATION:

Recommend purchasing lights, poles, and controllers for the new pickleball courts and existing basketball court at Wilson Park through a Sourcewell Cooperative Purchase Agreement (# 041123-MSL) contract for \$86,607.00 plus tax for a total of \$95,051.18.

BACKGROUND:

SSI of Northwest Arkansas recently was awarded the contract to construct the new pickleball courts at Wilson Park (Bid 23-46) and lighting the existing basketball court. As part of that contract, the contractor will install new lights which are to be provided by the city. Musco is one of the preferred lighting providers that specializes in athletic lighting, and they are a vendor in the Sourcewell system.

DISCUSSION:

Pickleball is extremely popular, and the addition of lights will greatly extend the use time of the new Pickleball courts and the existing basketball court.

BUDGET/STAFF IMPACT:

Funds for this project come from GL Account 2250.520.9255-5806.00, Project 13001.5000.2301.
